Supervision in Cafeteria (not food service). Teachers are expected to:

- Make sure students do not leave a mess – they must clean up after themselves
- Ensure that cafeteria furniture is not moved around - Put back any moved tables/chairs
- During lunch, monitor what food is thrown away and communicate with servers about what you see

Playground Supervision duties are as follows:

- Monitor upper play area/castle/playing field area.
- There are two supervisors, they should not stand together since the area is large
- Phones are not permitted except in emergency circumstances during supervision.
- Enforce timeouts and other consequences for poor behaviour (one warning before consequences)
- Make sure to pay careful attention for bullying and fierce nasty competition – there is zero tolerance for these behaviours. Send students to the principal's office if poor behaviors continue
- Ensure the children are playing safely
- Send students inside 5 minutes BEFORE the end of break/lunch (bathroom, drink water...)
- Make sure students go and eat lunch before they head outside to play
- Do not allow children to eat in the playing area
